CAREER OBJECTIVE

Currently, I am studying in my final year at DIU. I attended some of the Competitive programming competitions and CTF competitions. I want to be a cloud security engineer because this world is moving to a cloud world and the more we move the more we need security and safety. Here I attach some of my [project](#) work I did in recent years in my university.

EDUCATION

Daffodil International University (Dhaka-1341, Bangladesh) September 2020 – Present
B.Sc in Software Engineering (Major in Cybersecurity)
Current CGPA: 3.94 / 4.0

University Laboratory College (Dhaka-1000, Bangladesh) June 2016 - June 2018
Higher Secondary Certificate (Science)
GPA: 4.17 / 5.0

Madartek Abdul Aziz High School (Dhaka-1214, Bangladesh) January 2014 - April 2016
Secondary School Certificate (Science)
GPA: 5.0 / 5.0

EXPERIENCE

I. Cybersecurity Internship:

Did my very first [cybersecurity Internship](#) at “Senselearner Technologies Pvt Ltd”. It was a 45-day remote internship.

II. Private Tutor:

During my HSC and undergraduate study, I obtained my teaching experience as a math, physics and ICT tutor in a tutoring centre and privately at home, where I taught math and ICT.

Award & Competition

I. Flag Hunt 2023:

Only the top 30 teams after a preliminary round from the nation got the opportunity in the National Cybersecurity Competition 2023 “Flag Hunt: Battle of Hackers” and My team “3rror_Genocide” was one of the [finalists](#).

- II. **Google Hacking Competition 2023:**
[2nd Runners Up](#) in Cyber Security Awareness Day 2023 at Daffodil International University.
- III. **Attended BUET CTF competition in the Final round of 2023:**
BUET CSE-Fest arranged a CTF competition among universities and picked the top 30 teams for the final round.
- IV. **Google Hacking Competition 2022:**
Hold top 10 places in Cyber Security Awareness Day 2022 at Daffodil International University.
- V. **Mujib 100 Idea Competition in 2021:**
Hold [top 30](#) places among 1000+ teams in IC4IR 2021 Mujib 100 Idea Contest.
- VI. **Intra-University Programming Competition:**
Attended DIU intra-university [programming competition](#) in 2021

VOLUNTEER EXPERIENCE

- i. Arranged MIST LeetCon 2023, Bangladesh's first-ever cybersecurity conference.
- ii. Cyber Security Centre, DIU arranged Cybersecurity Awareness Day and was a part of it in both 2022 & 2023.
- iii. Was a volunteer at the Dhaka Half Marathon 2018.
